OBJECTIVE

I am highly motivated to incorporate on-campus work into my education to gain practical knowledge and apply it professionally.

EDUCATION

High School Diploma

GPA: 3.46 out of 4.0

Capital College and Research Center

Address- Kathmandu, Nepal

Year of Graduation- 2021

EXPERIENCE

The Music Club

- Served as the president from 2015-2019
- Conducted charity concerts
- Established and taught music classes in high school
- Participated in fostering young talents
- Got a chance to enhance my leadership skill, communication skills, and teamwork capabilities

The Art and Culture Club

- Contributed as a Coordinator and Project Manager
- Sourced funds for the club, partnering with more than 15 businesses
- Developed leadership and organizational skills
- Learned to communicate with the team effectively and manage deadlines
- RJ is in weekly programs to promote art and culture in Nepal, talking with notable individuals in the field.

Tutoring

- Served as the Class representative(CR)
- Helped students with homework and assignments during high school
- Worked with different students and explored different teaching methods

SKILLS

- Strong work ethic and ability to work independently as well as a part of a team
- Fast typing skills with an average of 60 words per minute
- Strong communication skills as I worked as an anchor and RJ in Nepal and can work well with anyone
- Multilingual could prove to be a great help to other international students
- Computer skills, including email, data entry along with social media and Canva
